About The Andersons

With a focus on quality, service, & technology, **The Andersons** strives to provide products designed to make work easier, more efficient, & most effective to achieve the highest yields. From a broad range of fertilizers, micronutrients, soil amendments, & organic nutrients, to patented products & technologies, **The Andersons** are committed to delivering next-generation solutions with the highest level of quality & customer service in the industry.

6-24-6 SLAPSHOT

80% Orthophosphate. Low-salt, 80/20 ratio of ortho-to-polyphosphate liquid fertilizer that is completely seed safe for in furrow placement

5-16-7-1S

POWER PLAY
with Sweet 'n Eazy

80% Orthophosphate. Balanced starter fertilizer delivering phosphorus, sulfur, & essential nutrients for early-season vigor

6-24-5-1S

FULLCOUNT
with Sweet 'n Eazy

50% Orthophosphate. Promotes rapid root development, nutrient uptake, & strong crop establishment

8-29-2 LINE DRIVE

50% Orthophosphate. High-phosphorus starter formulated to support early root growth & maximize nutrient availability

14-14-3 TRIPLEPLAY

40% Slow-Release Nitrogen. Balanced fertilizer providing slow-release nitrogen & essential nutrients for consistent crop performance

Expert Support, Trusted Quality

FOLIAR

0-0-19-6 ASSIST

Liquid Potassium & Sulfur. Chloride-free potassium & sulfur fertilizer designed to support crop health during periods of stress

28-0-0 BREAKOUT

72% Slow-Release Nitrogen. Slow-release nitrogen technology extending nitrogen availability while reducing loss potential

20-0-7.5-5S FACEOFF

72% Slow-Release Nitrogen. Slow-release nitrogen & sulfur blend designed to improve nutrient efficiency & crop performance

10-3-4-0-8C GUARDIAN

Chloride Blend with 51% Slow-Release Nitrogen. Slow-release nitrogen & chloride technology supporting plant health & extended nutrient availability

Bases Loaded -0.4Cu-.4Fe-1.2Mn-1.9Zn-0.02B

Chelated micronutrient package designed to correct multiple nutrient deficiencies & support crop performance

The Andersons offers a large variety of Micronutrient products such as:

- 🍂 Boron 10%
- 🍂 Copper 7.5%
- 🍂 Zinc 9%
- 🍂 Calcium 3%
- 🍂 Iron 4.5%
- 🍂 Manganese 6%

MICRO NUTRIENTS

Innovating Agriculture,
Empowering Farmers,
Leading the Future.

Our 360 Approach

At the heart of our 360 approach is the carbon cycle — the cornerstone of sustainable farming. From photosynthesis, where plants capture atmospheric carbon dioxide, to the decomposition of organic matter, which returns nutrients to the soil, every stage is vital for soil enrichment and ecosystem health.

Our crop enhancement products optimize this cycle by promoting plant development and increasing organic carbon in the soil. By integrating humic acids, beneficial microbes, and specialized plant extracts, we improve soil structure, boost microbial activity, and enhance the soil's capacity to store carbon. These efforts contribute to long-term environmental resilience and a carbon - positive future.

Sustainable Productivity

Regenerative agriculture isn't just about environmental stewardship — it's a pathway to increased productivity. Healthier soils result in more resilient crops, better water retention, and higher yields. AgTek360's solutions, crafted with cutting-edge technology and backed by expert support, empower growers to adopt regenerative practices without compromising profitability.

Our products are designed to optimize nutrient uptake, enhance crop resilience against environmental stressors, and improve germination and seedling vigor. By addressing the unique challenges of modern farming, we enable growers to unlock their farm's full potential while contributing to a healthier planet.

Join the movement and embrace the power of AgTek360's 360 approach to sustainable farming. Together, we can regenerate the soil, grow greener, and create a carbon - positive future for generations to come.

Your Growth, Our Focus: Our Commitment to You

Expert Support

Our team of agricultural experts is here to support you at every step. From selecting the right products to implementing best practices, we're dedicated to your success.

Trusted Quality

With AgTek360, quality isn't just a promise; it's our standard. We rigorously test our products to ensure they meet the highest standards of efficacy and safety.

Partners in Growth

Your growth is our goal. We partner with you to navigate the complexities of modern agriculture, providing the tools and knowledge needed for your farm to flourish.
